

PRATIKSHA KHOBRAGADE

Computer Science Engineer | Full-Stack Developer | MERN Stack

PROFESSIONAL SUMMARY

Aspiring Software Engineer with practical experience in MERN stack development, REST APIs, and full-stack web applications. Strong proficiency in Java, JavaScript, and Data Structures & Algorithms with hands-on project experience. Skilled in building responsive, performance-optimized applications with modern web technologies. Passionate about problem-solving and developing scalable, real-world software solutions.

EXPERIENCE

Frontend Developer Intern

21 Mar 2026 – 21 Jun 2026

DP Info System, Bhavnagar (Remote)

- Architected and deployed a secure Medical ERP dashboard used by 7+ healthcare professionals, reducing data retrieval latency by **65%** and ensuring **99.9% uptime** for critical patient information systems.
- Solely engineered the frontend infrastructure for **TaskUp**, a scalable work management SaaS platform using React and modern JavaScript.
- Designed a complex **Role-Based Access Control (RBAC)** system supporting dynamic, real-time dashboards for three distinct user ecosystems (Enterprise, Academic, Personal).
- Optimized page load speeds by **3.5 seconds**, directly contributing to a **25% increase** in user retention rates.

TECHNICAL SKILLS

Programming: Java, JavaScript (ES6+)

Frontend: React.js, HTML5, CSS3, Tailwind CSS, Bootstrap

Backend: Node.js, Express.js, Firebase, REST APIs

Database: MongoDB, MySQL

Tools & Platforms: Git, GitHub, VS Code

Core CS: Data Structures & Algorithms, OOP, SDLC

PROJECTS

Talksy – Video Conferencing Platform | WebRTC · Next.js · MERN Stack

Built a full-featured platform for seamless video meetings, screen sharing, and real-time chat using WebRTC, Next.js, and the MERN stack; designed for low-latency communication at scale.

Promptly – AI Chatbot Platform | OpenAI GPT · Node.js · React

Developed an AI-powered chat platform enabling real-time conversations and intelligent responses using OpenAI GPT API, Node.js, and React with streaming UX.

CartPro – E-commerce Website | Java · HTML · CSS · JavaScript

Created a full-featured online shopping platform with product catalog, cart, checkout, and user authentication using Java, HTML, CSS, and JavaScript.

EDUCATION

GH Rasoni University, Amravati — B.Tech in Computer Science Engineering

2027 | CGPA: 8.82

ACHIEVEMENTS

- **95.10 Percentile** – Naukri Campus Young Turks national assessment
- **4th Rank** – AI-WebForge Web Development Competition
- Actively participated in **8+ coding competitions and hackathons**, demonstrating consistent technical performance
